Assessor Comments	18 Herford & Hereford/Shorthorn X cows departed to a limo bull for their 3rd calf. These cows are 650kg avg at assessment and were mouthed recently by the client as solid 4 tooth's. Cows were joined to the same bull last year and had no issues during calving and were in similar condition. An opportunity to secure a line of solid cows departures with approximately 6 weeks until calving should commence.
