Assessor Comments	An exceptional line of Angus Heifers with their first calf at foot. Heifers display an excellent amount of milk and sound confirmation. Calves are fresh and sappy and it should be noted that one calf has been fostered onto a heifer, that calf being a F1 steer. Calves average 82kgs and heifers are in ideal condition to re-join to the bull of your choice. Vendors only reason for selling is pasture improvement. Please note: 1 Heifer has white socks and belly, odd heifer with pink eye scarring, not detrimental.
