Assessor Comments	Watervalley bred 45 top draft of mixed age cows 3 - 6 years PTIC 5-8 months to Watervalley black bulls. The cows are mixed colours including, 18 x Black & Black crosses, 12 x Reds & Golden Yellow, 12 x Greys & 3 x Brah X, approx 15% would have some Bos Indicus influence. This top draft being in store to forward store condition younger cows with good frames are ideal to calve down over the next few months. The Watervalley cattle are well known for their doing ability and will perform well for those buyers looking for great doing mums and to add value to their purchases.
