Assessor Comments	Opportunity to purchase a nice line of station mated cows that have been running continuously with bulls. There approximately half a dozen calf in the mob which will be given in, these cattle will go ahead on a rising plane of nutrition. Cattle have had a back line at assessment. *** Cattle will be sold delivered Old MT Bundy. All clearing costs will be the purchasers responsibility *** These cattle had MOXIMAX (for cattle tick) at assessment. Please also Remember the geographical location of these cattle when trucking so please make allowance in weight and condition on arrival. . Note there is 2 with short tails in mob and 2 with dog bites.
