	Handled well though the yards using a overhead draft, walked in with 2 people with no problems or fuss.		
Handled With	Aerial (Helicopters, gyro's and planes) , Bikes		
Assessor Comments	4 Decks of mostly good quality Santa / Droughtmaster cows . 100 % Handled / Weighed. Continuously running with 6 Santa Bulls & 2 Droughtmaster Bulls. 3 cows 12 years old & 5 cows 11 year old, balance 10 years and younger with 3 lighter heifers being 3 year old. Plenty of life left in this line. Some cows are showing calf when mustered took a number of cow & calf units out of this line. Breeding goes back on the Santa side to the A A Co Ex Avon Downs . Please note 7 cows show some old Fly Bite. One Brindle cows. 2 cows have bottle teats don't believe bad enough that they wouldn't rear a calf . 3 cows with slightly longer toes. Good line of red cows that will go on & do the job.
