Assessor Comments	PTIC Droughtmaster heifers, majority brought in from North Queensland topped up with Aldinga heifers. All joined to Aldinga bulls. Raised on "Aldinga" forest country before being moved over to "Barkala" where they were joined. Have done really well and present in very good order. Regular vendors on AuctionsPlus and sell well. Vendor will clear at their expense. Please note there are 2 with buffalo fly bite but no problem. One heifer presents with higher content Bos Indicus than the balance , one with Charbray content probably by a neighbor's bull & 1 with brindle markings.
