Handled With	On day of assessment these Heifers presented themselves to be very easy to work with through the yards. Bikes , Dogs , Horses		
Assessor Comments	Buyers today we have to offer you 10 Ultrablack Brangus Cross Heifers, PTIC to a well bred Angus Bull. These are very well grown Heifers and have a very soft easy flowing nature. The Heifers have been apart of a cell grazing program for the past 4 months which entailed them to be handled daily. They averaged 378.8kg on delivery. This is a great opportunity for anyone looking for quality young pregnant Heifers to breed on for many years. Please note the Heifers are located in a Tick area and will require clearing prior to moving across the Tick Free line. This will be at the buyers expense. Please note 2 heifers were pregnant when vendor purchased from sale yards.
