Assessor Comments	An opportunity to purchase quiet, well handled PTIC, cross bred cows. Two of these cows are under 4 months and the remainder over, in calf to low birth weight Bulliac Angus bulls. Cows are only being sold to make way for more sheep. PLEASE NOTE photos were taken just after 10mm of rain, so cattle are wet and rougher looking. Vendor also has another 17 PTIC first calf heifers and young cows in the same sale.
