Assessor Comments	Buyers, here is a good line of EU composite cows that have fantastic calves at foot averaging 226kg. These cows present in fresh condition averaging 574kg. These cows have great length of body with plenty of volume. These cows are very fertile being pregnancy tested every year. These cows have been running back with Angus bulls. These calves are exceptional averaging 226kg. Calves are by Booroomooka Angus sires that have tremendous softness with type. This is a chance to secure top quality genetics.
