Very rare I will call anything docile but these heifers are the exception. For commercial heifers they are unbelievably quiet and you can basically scratch them in the yards. They are as quiet as I've even seen commercial cattle.

Handled With	Bikes , On foot , Vehicles
Assessor Comments	Extremely well grown and quiet Poll Hereford heifers all PTIC in calf to a LBW angus bull that has been used over heifers before. They were purchased out of Bombala as weaner heifers last year on Auctionsplus and have done extremely well since being up here. They could be the quietest cattle ive ever assessed and were a pleasure to handle. They are bred out of a long standing Monaro Poll Hereford herd who has been using Gunyah Poll Hereford bulls.
