	This bull baulked at the gate going into the yards from a small holding paddock at first, and was a little wary as I first approached being a stranger, however soon settled as I moved in to video and photograph him. He was easy to run up the race and weigh. There were young heifers being weaned in the yard next to him so he did have other things on his mind.

Assessor Comments	Mt Hunter President is a 32 month old registered herd bull with figures as seen on the link in " Bloodlines/Breeding history", he was easy to handle once in the yards , and is in his working clothes after being used in the vendors herd, and removed a week ago.
