Handled With	Heifers were generally very good to handle in yards & paddock. Only a small percentage were agitated whilst weighing Bikes , Dogs , Horses		
Assessor Comments	"Nimbo" has been sold and this is a genuine herd dispersal. On offer is an excellent line of 44 PTIC Angus Q heifers. Buyers this is a not to be missed opportunity to purchase high quality Angus cattle that will mature into highly productive breeders, which will provide quality sale progeny. These heifers show good weight for age and are in ideal condition for this stage of the pregnancy. Heifers are joined to high indexing, low birth weight Angus sires from Reiland, Bongongo & Landfall Angus. These Heifers are classed in breeders which represent the vendors 'Top of the drop'. They tick all the boxes and come highly recommended. Note cattle held in a small holding paddock overnight, Two heifers in this offering were noted with old eye scarring's & Two heifers noted with slightly old ringworm markings (Assessor deemed not detrimental at assessment) Please see vendors other age groups in same sale.
