Assessor Comments	Quantam is a fully registered Polled Charolais bull with good depth, well muscled and well boned. Well balanced EBV's offering great quality to progeny, good carcass figures with softness, typical of the Ashwood Park genetics. Quantam has a great temperament, and sound in the feet. This bull has been used lightly in existing herd with his first calves due this spring. Quantam would be suitable to any commercial program wanting to add weight and frame. Genuine sale of bulls as focusing on full Angus herd.
