	Excellent to handle both in the yards and walking into the crush. Once we let them back out together in a small holding paddock they just stood happily and fed their calves

Assessor Comments	Outstanding heifers and calves. Good big roomy females and doing a fantastic job on their calves. Calves are full of milk and have plenty of bone and shape. There are 15 steer calves and 10 heifer calves. Heifers have not been back to any bulls and are ready to join to a bull of your choice. Calves have been marked and had their vaccinations. Would be an asset to any herd. Please note there is one M- 2016 drop cow in the mob the balance are all heifers on their fist calf. The successful purchaser has the right to take or leave this cow and calf.
