Assessor Comments	Watervalley bred 59 Tops Mixed British bred cows 4-8 years PTIC 2-4 months to Watervalley black bulls. The cows are good frames & mixed colours including, 30 x Reds & Golden Yellow, 23 x Greys, 6 x Black X and approx x 10 would have some Bos Indicus influence. This top draft being in store to forward store condition cows with good frames are ideal to calve down over the next several months. The Watervalley cattle are well known for their doing ability and will perform well for those buyers looking for great doing mums and to add value to their purchases.
