Assessor Comments	450 Excellent quality young Ewes to be sold in two lots of 225. These are the top 450 in the sale, all ewes weighed through auto drafter with a minimum weight of 54kg set on scales. The ewes are breed out of Parkdale blood mothers and by Dunniel and New Armatree sires. With high fertility a major focus for the Parkdale bloodline this will be a valuable trait inherited by these young ewes. Highly recommended even line of ewes that are very well grown for their age and would easily join at any point. Minimum of 54kg maximum 71kg to average 58kg at assessment. Highly recommended by assessor.
