Assessor Comments	370 Excellent quality young Ewes to be sold in two lots of 185. All ewes weighed through auto drafter with a minimum weight of 40kg and max of 53kg to average 49.8kg after 24 hour lockup. The ewes are breed out of Parkdale blood mothers and by Dunnield and New Armatree sires. With high fertility a major focus for the Parkdale bloodline this will be a valuable trait inherited by these young ewes. Highly recommended even line of ewes that are very well grown for their age. please note 2 lots of 225 also for sale in this auction. Highly recommended by assessor.
