Assessor Comments	On offer is a smart line of Border Leicester/Merino first cross ewe lambs, August/September 2020 drop. These ewe lambs are out of Karbullah blood Merino ewes which were purchased SIL on AuctionsPlus. They show good growth for their age, and present in great condition. These ewe lambs show potential to continue to grow out into good framed ewes and become great breeders. Ewes have the weight and condition to join now if desired, or would be ideal to join early in the spring. A great line of breeder's sheep with all the hard work done and all their breeding lives ahead of them.
