Assessor Comments	An excellent quality run of one mark rising 2 Y.O First x ewes S.I.L @ 166% in lamb to Felix Poll Dorset rams. These ewes show very good stretch and depth of body and are generally large frame with approx 15% being solid medium frame ewes, these ewes present in forward store condition (perfect lambing condition). Ewes were purchased out of Condobolin and this will be their second lamb. An ideal opportunity to purchase young ewes that will produce high quality lambs. The sisters of these ewes are in the same sale, it will be a run out the gate if sold separately with an even split of multiples and singles.
