Assessor Comments	Excellent quality line of Ewe lambs SIL to Poll Dorsets to lamb mid July/Aug for 6 weeks. Ewes have all the breeding being out of large frame WA Merinos by quality Rams from Kurralea and Yanco studs. Top quality Poll Dorset sires have been used over these ewes to produce a second cross lamb that will be suitable for any level of the lamb market. Expect these ewes and their lambs to grow out and get to very heavy weights given the opportunity.
