Assessor Comments	This lot of 31 SIL 1st x Border Leicester ewe lambs represents part of three lots of ewe lambs offered as an entire drop from the vendor. This is a rare opportunity to purchase one mark ewe lambs that are usually retained by the vendor for their terminal lamb production with mature ewes consistently weaning 150% lambs. These ewes grow into good medium to large frame thick bodied ewes with great finer wool traits for 1st x ewes Both lots of scanned empty ewes have a realistic reserve and present as a great chance to purchase now and save paying big money in the spring. Please note there is also 2 lines of Scanned empty ewe lambs on offer for the vendor in this sale. These ewe lambs are SIL to Taronga Park White Suffolks
