Assessor Comments	67 S.I.L White Dorper ewe lambs. This is a great opportunity to purchase a small line of white Dorper ewe lambs. This is the annual sale of these surplus ewe lambs. These ewes are very well bred with good feet and great confirmation. Would make a great starter flock for someone. They present in excellent condition and will do very well where ever they go. These ewe lambs scanned in lamb with 27 multiples and 39 single, to start lambing from the start of July. They are good shedders with most of them clean over their backs. You would not be disappointed with these ewe lambs so don't miss the opportunity to purchase these ewe lambs.
