Assessor Comments	A good line of PTIC heifers. Mostly small to medium frames in good condition. In calf 4-8 months. There is 15x15 in another lot in this sale that have calved without assistance. Please view if interested. These heifers have the potential to be good mothers, they are fit and well. These cattle were joined to Droughtmaster bulls prior to December then joined to Pathfinder Angus bulls from 1st December until 3rd March. These cattle have been split in to two mobs for trucking and will be sold as a run at the gate.
