Assessor Comments	Young heifers and calves that will go forward. Heifers present in forward store condition, exhibit medium bone and are doing a tremendous job on their calves. Heifers were purchased in a large mob for a trade job. These 19 heifers calved unassisted in the paddock/feed pens. Heifers are only being sold as they are surplus to requirements. A couple of the heifers do present a bit long in the feet, 1 heifer does have a hip off, but these animals are found to be sound. Good smaller line of heifers and calves to go on with.
