Assessor Comments	A great line of Euro X Heifers, PTIC to a Watasanta Sangus Bull and two Speckle Park/Angus Bulls from Oakey Creek Speckle Park at Manilla. There are 38 red tags and 3 blue tags in the mob. These would be a great line of heifers to keep as future matrons. The vendor states that these cattle have performed exceptionally well since arriving from the North. Buyers please note delivery period. This lot would make up a B Double load with another 32 heifers the vendor has in sale.
