Assessor Comments	A good line of Santa & Droughtmaster X Heifers, PTIC to Watasanta Sanguis Bull and Two Speckle Park/Angus Bulls from Oakey Creek Speckle Park at Manilla. There are 27 red tags and 5 blue tags in the mob. These would be a good line of heifers to keep as future matrons. The vendor states that these cattle have performed exceptionally well since arriving from the North. This lot would make up a B Double load with another 41 Heifers vendor has in sale. Buyers please note delivery period.
