This bull dipped his head once or twice as I first approached being a stranger, however soon just moved away as I moved in to video and photograph him. He was easy to run up the race and weigh.

Assessor Comments Mt Hunter Queenscliffe is a 21 month old registered herd bull with figures as seen on the link in " Bloodlines/Breeding history", he was easy to handle , and is seen just freshening up after being used in the vendors herd, and removed 6 weeks ago.
