	Slightly Stirry: 4 head		Quiet: 37 head	
			Slightly Stirry: 7 head	
	Paddock			
	Temperament not assessed in Paddock			
	Very quiet females that were a pleasure to handle! Rarely are cattle this quiet when part of such a large scale operation. All brought from the back yards easily with the race slide being left open for the entire duration. All females self fed up the race and on to the scales without hassle, stood quietly on the scales and exited at a walk. All exited the yards calmly for photos and quietly grazed around without concern. A delight to handle & a real credit to the vendor.			
Handled With	Bikes , On foot , Vehicles			
Assessor Comments	Outstanding opportunity to secure two B-Doubles of the renowned Wantabadgery station females. Outstanding females in the prime of their lives. Only offered for sale after testing 97% positive in this years Pregnancy scanning. The Wantabadgery herd carry proven genetics having had 2 teams of steers compete the Beef Spectacular steer trial in recent years, in which time they have won several awards, this year making Reserve Champion in the Riverine Premium section and receiving 3rd overall for eating quality. These females have the confirmation, reputation & proven genetic prestige to be a very sound investment. Every female has been classed annually & is an excellent example of the Wantabadgery brand. Long, deep, maternal bodied & bred to carry weight whilst maintaining a general easy fleshing softness about them. These females come with the agents & assessor highest recommendation. Please Note. 8 noted white flanks, 9 minor eye blemishes out of 116 total - nothing deemed detrimental.
