Assessor Comments A excellent offering of 10 PTIC Heifers joined to a LBW Rennylea BLD Bull TCC Mid July for 8 weeks . 5 Angus & 5 Angus X Murray Grey heifers present in store to forward store condition and a perfect opportunity to put away and calve down to add to any herd or re-offer later in the year with a calf at foot. Heifers that will no doubt grow out in to good matrons that have years of breeding behind them. 1 heifer has a white eye from old pink eye but can see fine please refer to photos.
