Assessor Comments	Very nice smart line of 20x20 Angus heifers tops out of a mob of 40. Doing an exceptional job on their calves and getting some pallets and silage to keep the heifers fresh and going forward. Heifers were bought ex Wodonga sale yards with the intention to calve down and retain in own herd, since gone in a different direction. Extremely good heifers, calves going forward and the mothers are doing a good job, not rejoined so join to the choice of your own bull.
