Handled With	Cattle where very nice to handle through the yards with 2 becoming abit agitated in the crush due to weigh cradle. Bikes , On foot , Vehicles		
Assessor Comments	A nice group of middle to mature aged cows and calves with generations of A.I genetics and Rossander breeding behind them. That would slot into anyone's breeding program or someone looking to get into cows and calves with a good genetics base to get them started. Cows are predominately medium to large frame with good fresh blocky calves at foot. Please note vendor has another 1 other lot in this sale!
