Assessor Comments	Good young Angus Friesian X cows that have just had calves taken off them. They are only 2nd & 3rd calvers. They are PTIC to a very good Ashfield Limousin bull. All frame with no surplus condition. They have been running on pretty lean rations and have just had calves taken off them so will respond to feed. A good opportunity to get some young cows for not a massive out lay. Please not same vendor has two other lot in same sale
