Assessor Comments	An excellent line of Angus Heifers, PTIC to commence calving mid November for 6 weeks to LBW easy calving Crawford Angus Bulls. These heifers were purchased ex Vic Weaner sales 2020, manily from Yea and Wangaratta blue ribbon sales. These heifers have ideal frame to grow into easy doing productive females. Heifers were quiet to handle in yards. Note, there is the odd heifer with white belly, behind the navel, and one black baldy heifer in the draft. Odd blue eye scarring and wart, otherwise all heifers sound and ideal condition to maintain for calving.
