Assessor Comments	Watervalley bred Ex Kaladbro Stn 48 Seconds draft of Reds, Greys & Black crosses 3 - 8 years cows PTIC 5-8 months to Watervalley black bulls. The cows are British Bred crosses including 22 x Blacks, 10 x Reds and Goldies, 13 x Greys, 3 x Bos-indicus crosses and 11 horned cows. This seconds draft being in store condition, small to medium frames, they offer the opportunity to put weight and condition on the cows prior to calving. The Watervalley cattle are well known for their doing ability and are ideal to turn out to calve down, the cattle will perform well for those buyers looking for great doing mums and to add value to their purchases.
