Assessor Comments	A nice line of Angus heifers 483kg with Angus calf at foot 75kg. Quality heifers that present in good strong forward condition, very quiet to handle and are doing a great job feeding their calves. The calves are by Angus sires and present as good solid types with good bone and muscle showing already and will grow on to great weaners. 3 grey heifers in the line. At this stage they are unmarked. They are PCAS eligible.
