Assessor Comments	A very good quality vendor bred line of first cross White Suffolk ewe lambs that the vendor has spared no expense on. This line of ewes is a credit to the shearers in their presentation and are a great reflection on the quality feed and breeding program that is carried out on farm. (*Prospective buyers please note one ewe is presenting with a black spot on one leg*) These ewes would make a fantastic addition to any breeding flock or starter for anyone wanting to breed performing 2nd X lambs.
