Vendor Comments	Annual Sale of Merino Wether Lambs. Wether Lambs wool sold for 1280c/KG in May, 2021 (62mm cut).		
Assessor Comments	These wether are the 2nd draft of annual sale wethers from 'Tuppall Creek'. These lambs have had a tough start in life, but with the shearing and animal husbandry they've had, these healthy young lambs, with time on their side would do a job for purchasers to return a profit. About 10-15% of the mob are showing slightly more horn then usual, and any stags and long horn wethers were removed. See 243 wethers (top draft) are also in the sale.
