Assessor Comments	225 Dohne Ewe Lambs, Chirnaminup Bloodline, July Drop, Feb Shorn. Ewes were purchased Ex WA in December 2020 with the intention to join come Spring, only selling early due to the property hitting the Market. Lambs are well grown & easy care, presenting excellent opportunity to put away for the winter and either market or join come spring. Regretful sale as ewes were purchased as 'Tops of the drop' & with the intention to retain for the entirety of their breeding lives.
