Assessor Comments	120 Aug/Sept 2020 Drop Merino Mixed Sex Lambs, Bogo & Warrook Blood. These young lambs are very well bred and would be perfect to tuck away and turn into terrific wool cutting sheep. These lambs were purchased from the Smokey River (Crawford) Dispersal. They are on the do, the have the age of their side to feed for a trade job with no concerns with them cutting their teeth until well into the spring. They have been running on Autumn pastures & silage. Drenched with Q Drench 2/4//21, all the hard work has been done, on the do and ready to take on and feed. These lambs cut 3kgs of wool and tested at 16 micron in December.
