Assessor Comments	A tidy line of 102 Border Leicester/Merino Ewe lambs averaging 34 kg empty. These Ewes are only being offered for sale as the Vendor has run out of room due to lambing Ewes and feed shortages. These lambs have been bred out of sound medium framed Karbullah blood Merino Ewes and carry frame to grow out into medium to large frame adult sheep if given the right opportunities. Ewes have been Gudair Vaccinated and a market crutch. All the prospective buyer would need to do is show these Ewe lambs feed and you will not be disappointed with their response as they have not been given a leg up. A very realistic reserve has been set as these Ewe lambs must go!!!
