Assessor Comments	a great opportunity in purchasing a fantastic line of shedding ewe lambs. In my opinion these ewes are out of 1 of the best commercial flocks of for shedding traits. Vendor has not been near a shearing shed for over 12 years. Always pays for the best rams at selection time, Vendors regularly gets a mention in the Ouyen sale yard for the quality of there lambs. As per photos you can see the tails are still on. Vendors see no need to remove as it does not improve a already great product .Highly recommend this line to any breeder wonting to gain a head start into shedding breeds. Vendors have 2 lines in this sale.
