Assessor Comments	A single deck line of No.0 Charbray heifers which present in store condition with heaps of frame. These heifers are very well bred and are known performers. Given the right opportunity these heifers have big compensatory gains, due to one of the worst summer seasons the vendor has experienced. Please note heifers were plunge dipped on 7/6 and vendor can re dip again before trucking if that helps buyer. Although be aware heifers aren't being sold clear of ticks.
