Assessor Comments Buyers a great opportunity to secure a 3 decks line of USDA, NOP GAP certified, Organic heifers that are all vendor bred Rangelands blood. The Rangelands cattle are highly sought after in Organic markets and continually hit target grids as Bullocks. Alternativley they would suit Conventional Domestic feeder market as 100%were weighed in 300-400kg weight bracket to suit, or oats heifers to take on to Jap ox. Vendor also has 1 X 2 deck lot of black baldy sisters & 2 X 3 deck lot of black sisters in the same sale. Please note 2 heifers were observed with old blight scarring in one eye not considered detrimental
