Assessor Comments	Buyers a great opportunity to secure a line of USDA.NOP GAP certified, Organic Black heifers that are all vendor bred Rangelands blood. The Rangelands cattle are highly sought after in Organic markets and continually hit target grids as Bullocks. Alternativley they would suit Conventional Woolworths Domestic market as they were drafted to be 100% 300-400 kg curfewed to suit this job or oats heifers to take on to Jap ox. This lot is a Bdouble line of the black heifers selling as a run out the gate draft of 174 hd in this run. Vendor also has 1 X 2 deck lot of black baldy sisters & 1 X 3 deck lot of colored sisters in the same sale. Please note 2 heifers were observed with old blight scarring in one eye not considered detrimental, also a couple having small amount of white on underbelly
