Assessor Comments	Buyers a rare opportunity to secure a line of weaned steers of this quality. They are out of Large framed predominately Angus/Santa or Santa cows by high priced Raff and Lawson Blood Angus & Bullamakinka ,Drensmaine and Yarrawonga Blood Santa Bulls and show great Length/Depth and Bone and phenomenal weight for age. These steers have a great reputation and are highly sought after when normally sold as Feeders, they will perform on grass or grain and would be ideally suited to put on oats with 60 % suiting Lucrative 75% Angus heavy feeder market or alternatively taken through to grass Jap ox. Vendor would normally take steers through to heavy weights but selling entire run of weaner strs this year to make room for breeders . Buyers please note 2 strs had slight blue spot in one eye and 1 steer with small lump on Rib not considered detrimental.Vendor has 4 decks brothers this sale 50 km away on another property
