| Assessor Comments | Buyers a rare opportunity to secure a line of steers of this quality. They are out of Large framed predominately Santa or Santa/ Simmental/Charolais/Angus cross cows by high priced Bullamakinka, Drensmaine and Yarrawonga Blood Santa Bulls or Raff and Lawson Blood Angus bulls and show great Length/Depth and Bone and phenomenal weight for age. These steers have a great reputation and are highly sought after when normally sold as Feeders, they will perform on grass or grain and would be ideally suited to put on oats to take throigh to heavy feeder market or alternatively taken through to grass Jap ox. Vendor would normally take steers through to heavy weights but selling entire run of weaner strs this year to make room for breeders . Buyers please note Buyers please note 1 str had kinked tail not considered detrimental. Vendor has 3 decks of brothers at home property 50 km back toward Mitchell in same sale { fully weaned and educated } |
