Assessor Comments

A line of 101 No.0 heifers which represent a awesome opportunity to purchase well bred heifers in store condition. Originally purchased from Davemac Enterprises, The Gums as very lightweight calves in September 2020, these heifers have plenty of frame and huge compensatory gains. The vendor pre treated these heifers with a Dectomax Injectable on the 5/6/2021 and will also give these heifers a tick backline on 12/5/21. All other clear cost and organisation will fall upon the purchaser.
