Assessor Comments	Buyers, here is a nice line of soft well bred weaner steers that average 247kg. These steers present in good store condition. These steers are very soft types with plenty of frame and thickness. This line of steers have great length and are very even types. Steers are out of a medium to large frame composite bred cows by AA Co sires. These cattle were extremely quiet to work through yards. Note vendor has other lines in same sale.
