Assessor Comments	A good line of lightweight Brahman and Brahman cross Heifers. Heifers were purchased out of the north early 2021 and have done exceptionally well. Heifers are now in ideal condition to put on a winter crop to take through to heavier weights to either join to a Bull of your choice or to sell into Domestic and Export markets. Please note there is another line of these Heifers account JA & JK Hoffman in the same sale what could be used as a truck filler.
