| Handled With | Steers handled well in yards, some stirred in crush when weighing not uncommon from weaners.<br>Dogs , Horses , On foot , Vehicles |                                           |                                     |

Assessor Comments A quality line of Angus steer calves presenting in a forward condition. Steers have grown well since being purchased off Auctions Plus as cows and calves and are thriving in conditions. Steers show good length and depth for age and are in

fresh condition. All are unweaned and would perform well on a crop over winter to take out to heavier weights. Please note 2 steers had fresh pink eye in offside eye and were treated.

|                     |                                                                                                                                                                                                                                                                                                                                                                                              |
